

Ultimate mobility in a versatile ultraportable

## IBM ThinkPad X40 notebooks

Special offers

**IBM recommends Microsoft®  
Windows® XP Professional  
for Business.**

### Highlights

■ **Count on excellent wireless performance and extended battery life with Intel® Centrino™ Mobile Technology (select models).**

**NEW**

■ **Travel light. The IBM ThinkPad® X40 notebook is only 2.7 lb<sup>1</sup> and .81-1.06"² thin—the thinnest and lightest IBM ultraportable ever.**

**NEW**

■ **Go long. The 8-cell system battery runs up to 7.5 hours on certain models<sup>3,4</sup>. No leading notebook brand offers a longer standard battery life<sup>5</sup>.**

■ **Enjoy up to 10 hours of all-day computing with select models that feature the 8-cell system battery and an optional extended-life battery.**

**NEW**

■ **Expand your system in a snap with the optional IBM ThinkPad X4 UltraBase™ Dock and a choice of optical drives.**

**NEW**

■ **Guard data against drop damage. The IBM Active Protection System provides the hard disk drive up to 4 times greater impact safety than in notebooks without it.**

### Go on. Get carried away.

The thin, light, newly redesigned IBM ThinkPad X40 notebook with Intel Centrino Mobile Technology (select models) is perfect for staff on the go. It features long battery life and the optional ThinkPad X4 UltraBase Dock for a choice of drives and connections.

### The latest breakthrough

Like air bag technology, the new IBM Active Protection System features built-in motion sensors. When a fall is detected, this innovation helps protect the hard disk drive. That makes it less likely data on your hard disk drive will be lost from some crashes, such as being dropped or knocked off a desk.

### Business advantage. It's in here.

To help decrease expenses, look inside for IBM ThinkVantage™ Technologies and ThinkVantage Design elements. You'll see how to work more confidently and efficiently—and gain more time to focus on strategic goals.

Call **1 888 SHOP IBM** or go to **ibm.com**  
to buy direct, locate an IBM reseller or for more information.

## Get the edge: IBM ThinkVantage Technologies and Designs

- **Deploy the most secure wireless notebooks in the industry** with the IBM Embedded Security Subsystem 2.0. It provides built-in hardware and downloadable software-based protection. Nobody offers stronger security as a standard feature.
- **Support your mobile workforce** with ThinkPad X40 notebooks and IBM Access Connections software. It's the easiest way to switch between wired and wireless networks.
- **Improve signal reception** with the IBM UltraConnect™ Antenna. To maximize range, this antenna is built into the display of ThinkPad X40 notebooks. Plus, it supports multiple frequencies to optimize coverage and performance<sup>6</sup>.
- **Put online<sup>7</sup> and on-system information at your employees' fingertips** with Access IBM. With the push of a button, staff can gain answers to common IT questions.
- **Type more comfortably** and efficiently with the full-size<sup>8</sup> keyboard—a big advantage on an ultraportable.
- **Work in the dark** or in the dim light of an airplane with the unique IBM ThinkLight®. It's built right into the screen.
- **Help yourself.** Meet IBM Rescue and Recovery™ with Rapid Restore™ software. With this enhanced, one-button solution, staff can restore systems by themselves—often without a call to the help desk. According to *Technology Business Research* (March 2003), using Rapid Restore can save up to \$400 per incident in IT support costs.

**NEW**

*"... if an average corporation were to apply best operational practices and IBM's ThinkVantage Technologies as defined today, these customers would potentially see reduced ongoing operating costs greater than the cost of new PC or notebook computer hardware itself."*

—Aaron Goldberg,  
Vice-President, Ziff-Davis Market Experts

IBM ThinkPad X40 notebook with optional IBM ThinkPad X4 UltraBase Dock and DVD-ROM Ultrabay™ Slim Drive.

## Wireless Security made easy.

**Control wireless access and strengthen network security** with select ThinkPad X40 notebooks that support Cisco Compatible Extensions. You'll get a PC that's tested to run at the highest levels of performance in a secure, Cisco wireless environment. That includes wireless network password protection and dynamic encryption capabilities available only to users connected to Cisco Aironet wireless networks.

The IBM ThinkPad X40 notebook with wireless has been tested in accordance with interoperability criteria set by Cisco Systems, Inc. and is compatible with Cisco Aironet access points running software versions 12.01, 12.02, 12.03, 12.2(8)JA, or 12.2(11)JA. For full disclaimer, see IBM ThinkPad X40 notebook product documentation or the following Web site: [ibm.com/thinkpad](http://ibm.com/thinkpad)

## Service in São Tomé? Sure.

**Rely on award-winning IBM Service and Support.** Choose an IBM ThinkPad X40 notebook. With just a few clicks, workers can enjoy a wealth of on-system and online resources. Plus, they'll have support in more than 160 countries<sup>9</sup> worldwide, from São Tomé to Saskatchewan.

**Increase performance.****IBM ThinkPad X4 UltraBase Dock**

92P3429

Expandability is a snap. Lightweight dock simplifies cable management and supports Ultrabay Slim options—even an Ultrabay Slim battery for extra unplugged hours. Includes 3-port USB 2.0 hub as well as Ethernet and external monitor connections. Key lock secures notebook to dock. To fasten to desks, there's a slot for an optional cable lock. At only 1.3 lb, take one for the road.

92P1006

**IBM ThinkPad X40 Series Extended Life Battery**

Compute up to 10 hours when combined with the 8-cell system battery on select models.

92P1005

**IBM ThinkPad X40 Series 8 Cell Li-Ion Battery.**

Provides up to 7.5 hours of battery life.

**Warranty information:**

For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC, 27709, Attn: Dept JDJA/B203. IBM makes no representation or warranty regarding third-party products or services.

- 1 Includes battery. Weight may vary due to vendor components, manufacturing process and options.
- 2 Thinness may vary at certain points on the system.
- 3 These model numbers achieved the Ziff Davis Media Inc.'s Business Winstone 2002 BatteryMark™ Version 1.0, Battery Run-down Time of at least the time shown. This test was performed without independent verification by the VeriTest testing division of Lionbridge Technologies, Inc. ("VeriTest") nor Ziff Davis Media Inc.; neither Ziff Davis Media Inc. nor VeriTest makes any representations or warranties as to these test results. Winstone is a registered trademark and BatteryMark is a trademark of Ziff Davis Publishing Holdings Inc., in the U.S. and other countries. A description of the environment under which the test was performed is available at **ibm.com**/pc/ww/thinkpad/batterylife. Battery life (and recharge times) will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences. Refer to **ibm.com**/pc/support and enter your machine type and model number for more information.
- 4 The ThinkPad X40 supports only two batteries in use at one time.

- 5 Based on manufacturer's published figures for IDC data for top 5 vendors in 2003 notebook sales, as of 1/29/2004.
- 6 Requires wireless-enabled options, sold separately.
- 7 Requires separate Internet access account, not included.
- 8 As defined by ISO/IEC 15412.
- 9 International Warranty Service is available in any country in which this product is sold and serviced. Service delivery methods and parts availability vary by country, may be different from that in the country of purchase, and are subject to change without notice. Fees and restrictions may apply in some countries.
- 10 At processor speed.
- 11 Mobile Intel Pentium Processors feature Intel SpeedStep® Technology. With Intel SpeedStep, processor speed may be reduced to conserve battery power.
- 12 Delivered with Microsoft Windows XP preloaded and a Recovery Partition on the hard disk drive.
- 13 For hard disk drive, GB=billion bytes. Accessible capacity is less; up to 4GB is service partition.
- 14 For PCs without a separate video card, memory supports both system and video. Accessible system memory is up to 64MB less than the amount stated, depending on video mode.
- 15 11a, 11b and 11g wireless are based on IEEE 802.11a, 802.11b and 802.11g, respectively. An adapter with 11a/b, or 11a/b/g can communicate on any of its supported formats; the actual connection will be based on the access point to which it connects.
- 16 The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by IBM is under license.
- 17 Support unrelated to a warranty issue may be subject to additional charges.
- 18 Level of support varies by operating system. Operating systems not preloaded on the system may not provide full feature functionality. Refer to **ibm.com**/pc/support and enter your machine type and model number for more information.
- 19 Some software may differ from its retail version (if available), and may not include user manuals or all program functionality. Software license agreements may apply.
- 20 Update Connector is available at no charge to registered ThinkPad customers during the limited warranty period. Line charges may apply.
