

Stylish ThinkPad protection

IBM's new range of four ThinkPad carry cases includes a variety of different styles with the storage and features needed to create convenient and efficient 'mobile offices'. Protecting ThinkPad notebooks in padded compartments to help guard against bumps and jostles during travel, the cases complement the look and feel of ThinkPad notebooks on the outside, and deliver clever functionality and convenience on the inside.

The range comprises the Expander (clamshell design), the Organiser (top loader), a Backpack and a Leather Attaché Case.

Shared features

The following features are present on all carry cases.

All have a non-slip, cushioned shoulder strap and comfortable handles for easy carrying

IBM ball zip puller (except Attaché)

Patented Air Protection System (Expander: closed cell foam)

Removable external phone pocket (Attaché: internal pocket)

Compatible with all ThinkPads¹

Discreet branding

Detachable luggage tag

¹ Air Protection pads must be removed from Attaché to fit G, R and 15" T Series ThinkPads.
